## 21 Beautiful Residents

We asked dozens of beauty pros, put out a call for nominations, and queried our neighbors, friends, and family to come up with this bevy of beauties of all ages, from all walks of life. Yes, we know that true beauty comes from within and yada, yada, yada—but sometimes you just have to take things at face value. Enjoy the scenery.

» **Define beauty:** What makes someone beautiful to me is their positive attitude toward life and how they treat others around them. A woman who works for me always keeps a smile on her face no matter what life throws at her. Her smile every day at work is sheer beauty. »

» **The most beautiful person:** My mother! She has such enthusiasm for life and, after beating breast cancer last year, she has become stronger and more confident with herself. »

» **Cosmetic surgery?** I would never rule it out. The industry has really come a long way and has truly helped so many people achieve their goals esthetically. »

» **Favorite beauty product:** Dr. Hauschka's eye balm. I use it day and night to keep away crows' feet.
