Texting 1-2-3. It's never too cold for texting your BFFs with Holed It texting gloves from Carolina Amato. So they aren't the most "fashionable" thing—they're a plain knit glove—but, boy, are they fabulous! The tips of the thumb and

pointer finger slip off so you can use your phone with your gloves on. Also look for embroidered styles and slouchy hats when the weather turns cold. — *Jessica Totillo, Purple Passion*
